CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Public Hearing On Sugar Acreage

USDA announced today an informal public hearing will be held on June 4, 1965 in New Orleans, Louisiana, to receive views and recommendations with respect to establishing farm proportionate shares (acreage allotments) for 1966 sugarcane crop in Mainland cane sugar area (Florida and Louisiana). Hearing will begin 10 a. m. (CST), Jung Hotel.

Marketing of sugarcane for production of sugar from acreage within individual farm proportionate shares one of conditions producers must meet to qualify for sugar act payments.

Despite loss in production of sugar from 1964 crop due to hurricane and freeze damage, the January 1, 1965 effective inventory (sugar on hand plus production after first of year from old crop) was approximately 668,000 tons, or about 240,000 tons larger than year earlier. The 1965 sugarcane crop restricted in order to bring supplies of sugar more nearly into balance with quota needs and inventory requirements. Production from 1965 crop now estimated at 1,150,000 tons. It is probable that effective inventory on January 1, 1966 will be larger than a year earlier. In view of foregoing it is necessary that production from 1966 crop be restricted, USDA said.

P. B. Junior College To Be Test Center

Palm Beach Junior College has been designated as a test center for administering the National Teacher Examination on July 17, Elbert E. Bishop, Registrar, announced today.

College seniors preparing to teach and teachers applying for positions in school systems which encourage or require applicants to submit their scores on the National Teacher Examinations are eligible to take the tests.

Since the same examination will be given in various centers at the same time, prospective teachers in this area will have an opportunity to compare their performance with those of other candidates throughout the country, Mr. Bishop said.

At the one-day session a candidate will take the common examinations, which include tests in professional education and general education. He may also take one of the thirteen teaching area examinations which are designed to evaluate his understanding of the subject matter and methods applicable to the area he may be assigned to teach.

Bulletins of information describing registration procedures and containing registration forms may be obtained from Elbert E. Bishop, Registrar, Palm Beach Junior College, 4200 Congress Avenue, Lake Worth, Florida, or directly from the National Teacher Examinations, Educational Testing Service, Box 911, Princeton, New Jersey. Prospective teachers planning to take the tests should obtain their bulletins of information promptly, Mr. Bishop advised.

John L. Hundley On Dean's List U. of Fla.

John L. Hundley, son of Mr. and Mrs. Lloyd Hundley, of Pahokee was one of the four honor students from Palm Beach County named to the dean's list of the University of Florida's College of Business Administration for the winter trimester. There were 85 students from Florida, two from Georgia, two from New Jersey and one from Michigan, Minnesota, South Carolina, Cuba and Thailand.

Soil Subsidence Topic For Lions

Pahokee Lions heard Dr. Robert Allen, agronomist, of the Everglades Experiment Station, Belle Glade, speak on "Soil Subsidence in the Glades Area" at the Tuesday meeting of the club. Dr. Allen was assisted by Dr. Frank Thomas, soil chemist, also of the experiment station. Both men were presented to the club by Kyle Scott, who was in charge of the program. Other guests were Mr. Wan Gien Wu of Taiwan Sugar Corporation, Ping Tung, Taiwan and Lion H. B. McCall of Belle Glade.

President Glenn Browner, presided at the business meeting and announced that the annual installation of officers and Ladies night will be held June 22, with district governor-elect J. B. Brewer of Ft. Pierce, installing officer. Recently elected officers to be installed are: George Rashley, president; H. B. Elarbee, 1st vice president; Lewis Collins, 2nd vice president; J. D. Douglas, 3rd vice president; Kyle Scott, secretary; Othan Gilbert, treasurer; R. F. Hurt, lion tamer; Charles Lewis, tail twister; and directors, Leon Spooner and Curtis Chase.

Private J. Stephens Has Combat Training

CAMP LEJEUNE, N. C. — Marine Private John Stephens, III, son of Mr. and Mrs. John H. Stephens of 2443 E. Main St., Pahokee, completed four weeks of individual combat training May 4 with the 1st Infantry Training Regiment, Marine Corps Base, Camp Lejeune, N. C.

The 20-day course included over 200 hours of rigorous instruction in small unit tactics, night combat, firing weapons under simulated conditions and other subjects related to the Marine infantryman.

To Fill Pulpit At C. P. Baptist Church

Rev. Edwin Rice, a retired minister of Okeechobee City, will fill the pulpit at the Canal Point Baptist Church Sunday morning at 11 a. m. The congregation will attend the Baccalaureate sermon Sunday night. Rev. Rice will again fill the pulpit the following Sunday while the pastor, Rev. Lawrence Stewart attends the Southern Baptist Convention in Dallas.

Col. and Mrs. W. S. Evans have returned to their home from several days' stay in Jacksonville.

Safety Record At Glades Sugar House

104 tractor-trailer, tractor, and truck operators were presented safety bonuses, Friday, May 14, by Sugar Cane Growers Cooperative of Florida for safe operation of their equipment during the 1964-65 sugar cane harvest season.

Sixty of the total number completed the entire season with perfect driving records and will receive their safety pins at commencement of our 1965-66 harvest season. The remaining operators received only partial awards due to either minor accidents or not having been with us for the entire season.

The Cooperative has just concluded its third year of operation and for most of these men, this will mean the third straight year they have received a "Safety Bonus". Most of the operators return from year to year and are placed on the same piece of equipment they operated in the past.

The 41 tractors that haul the cane from the fields to the transfer stations, the 60 tractor-trailers that transport the cane to the mill, plus the other miscellaneous rolling stock that makes up the big Glades Sugar House fleet are operated by the employees receiving these awards.

This is what it takes to deliver 1,300,000 tons of cane from the 36,000 acres farmed by the 52 member-owned Cooperative. (Continued on Page 8)

Garden Clubs Hold Installation

A Japanese theme was carried out in the installation of officers for the Pahokee, Canal Point Garden clubs when they met Tuesday at the Canal Point Community Center with a covered dish luncheon. Mrs. Lee Shirley introduced Mrs. Ervin Zumpf of Belle Glade who, dressed in a Japanese kimono and using a Japanese dish garden for illustration, acted as installing officer. Mrs. Zumpf spoke highly of the co-operation between the Canal Point, Pahokee and Belle Glade garden clubs and their willingness to work together for the good of all the communities.

Officers installed for Canal Point were: president, Mrs. Floyd Erickson; vice president, Mrs. Leo Hebert; corresponding and recording secretary, Mrs. A. H. Scruggs and treasurer, Mrs. M. C. Carter.

Committee chairmen are: program, Mrs. Leo Hebert; ways and means, Mrs. Glenn Powell; membership, Mrs. O. H. Sheppard; horticulture, Mrs. M. C. Carter; publicity and telephone, Mrs. Paul Rardin; Birds and conservation, Mrs. A. R. Harrington; roadside civic improvement, Mrs. M. C. Carter; garden therapy, Mrs. Ralph Duran; flower design, Mrs. J. E. Williams; hospitality, Mrs. Antonio Moran and queen committee, Mrs. Paul Rardin.

Installed for the Pahokee Garden Club were Mrs. Don Hillier, president; Mrs. Lloyd Hundley, vice president; Mrs. Norman Kennedy, recording and corresponding (Continued on page 8)

Robert Phillips Is Injured In Mishap

Mrs. L. W. Armstrong and Mrs. Doris Sasser left Friday for Fairfax, S. C., where they were called by the serious injury of Mrs. Armstrong's grandson, Robert Phillips, age 15, son of Mr. and Mrs. Jack Phillips.

Robert received a severe head injury when he was hit by a baseball bat. His condition is reported to be improving at this time. He has returned to his home from the hospital.

Disaster Group Is Named Red Cross

The Chairman of the Palm Beach County Red Cross Disaster Committee Colonel D. M. King, has announced the appointment of Roy J. Allison to head the Red Cross County Disaster Communications Committee.

Allison, a long time resident of West Palm Beach, having many years of communications experience, is eminently fitted to handle the emergency communications needs during disaster, King said.

A "ham" radio operator, Allison stated that great dependence will be placed upon the county "ham" operators whom he plans to organize into an effective emergency radio network. He is being assisted in his efforts by Mrs. R. W. Eggert of Lake Worth.

Ham operators throughout the county having either mobile or station equipment who are interested in contributing their services during disaster are urged to contact Allison at Audio Video Electronics, 932 Belvedere Rd., West Palm Beach, phone 833-9977.

Local Youths Will Star In "Carnival"

Two local youths will be starred in "Carnival" being presented by Palm Beach Junior College on June 3, 4, 5 at 8:15 p. m. with special matinees on June 5 and 6 at 2:30 o'clock. Miss Carolyn Maxson, daughter of Mr. and Mrs. Leonard Maxson of Canal Point and James Batchelor, son of Mr. and Mrs. Jimmy Batchelor in Pahokee are the local players to participate in the presentation.

If anyone locally is interested in tickets they may make arrangements by calling Mrs. Maxson between one and five o'clock at the following number 924-7136. Or, they can call her at her home number 924-7740.

Bank Of Pahokee To Close Monday

Monday is Memorial Day and the Bank of Pahokee will be closed that day, according to an announcement by Rupert Mock, president. Under the new set-up used in recent years the banks of Palm Beach county take very few holidays and remain closed on Saturdays. Mr. Mock said that those folks needing payrolls over the weekend and for Monday should get them Friday.

One-Fifth Of Goal Baptist College

The campaign to raise funds to build the new Baptist-sponsored college in Palm Beach Gardens reached \$300,000 today, one-fifth of the goal of \$1,500,000.

Officials at campaign headquarters, 301 Datura Building, West Palm Beach, said they were pleased with the \$300,000 figure.

"Almost two-thirds of this total was raised in Baptist churches," they said. Two churches, First Baptist, West Palm Beach and First Baptist, Lake Park, have exceeded their goals.

The 31-member Palm-Lake Baptist Association has been authorized by the Florida Baptist Convention to raise the \$1,500,000 for academic facilities. After completion of the campaign the Florida Baptist Convention will contribute \$1,100,000 for dormitories and operating expenses.

This, coupled with the 200-acre campus donated by developer John D. MacArthur valued at \$1,000,000, means the college will be a \$3,600,000 industry in the beginning, the officials said.

Outside of the church area, solicitation is being conducted in the north part of Palm Beach County, Boynton Beach and Belle Glade.

Last week the West Palm Beach campaign was launched with the announcement that \$100,000 had been given by an anonymous donor.

Baccalaureate Is Scheduled Sunday

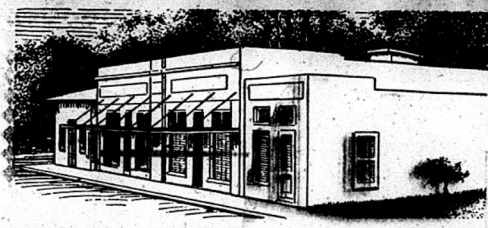

Baccalaureate services for the 1965 graduating class of Pahokee High School, will be held in the sanctuary of the Pahokee First Baptist Church, Sunday, May 30, at 8:15 p. m. Rev. Max Jones, chaplain at the Glades Correctional Institution, Belle Glade will deliver the message.

Bridal Shower For Miss Jackie Brock

Miss Jackie Brock, bride-elect of Ronnie Tucker, was honored with a bridal shower Thursday night, May 20, in the Community Room of the Everglades Federal Savings and Loan Association in Pahokee.

Hostesses were the Misses Brenda Unwin, Becky Mackey, Joan McKinstry, Patsy Crosby, Gloria King, Mrs. T. W. Reeves and Mrs. Gil Davis.

A color scheme of yellow and white was carried out on the refreshment table, which was laid with a white lace cloth over yellow and featured a crystal punch bowl surrounded with fern and yellow hibiscus.

The hostesses gift to the honoree was an electric toaster.

More than one million visitors see Florida's Cypress Gardens annually.

Handicapped Are Aided By Goodwill

To keep more than 400 handicapped people steadily employed, Goodwill Industries-Suncoast empties and processes the contents of more than 2500 bags of donations each workday.

The bags are emptied onto a conveyor belt that takes them 200 feet down one side of the spacious Goodwill factory. Lined along the conveyor are 25 handicapped women, who sort through the donations.

Clothes that are too old or torn for resale are placed onto a parallel conveyor that takes them to a hug-baling machine. The baled rags are sold to salvage firms that convert them into usable products such as paper, rugs, roofing materials and rags for wiping.

Garments that need buttons are sent to the button department; those that need repairs are sent to the seamstresses; heavy clothes are stored for winter sale.

All garments are laundered or drycleaned before going to the pressing department.

Other departments in the Good-

will factory are radio-TV repair, appliance repair, shoe repair shop, furniture repair, furniture upholstery, bicycle-lawn mower-refrigerator repair shop, rug cutting department. (Goodwill cuts small rugs from big rugs, employing midgets for this work), and doll department. Goodwill also found that doll repair work is ideal rehabilitation for women who have suffered emotional disturbances.

Goodwill has 16 retail stores.

Patrol Investigates 3,583 Accidents

TALLAHASSEE—The Florida Highway Patrol investigated 3,583 accidents outside of corporate cities during March in which 76 persons lost their lives. The total dead increased to 36 persons over the same time a year earlier.

Injuries rose to 2,347 during March a large increase over the number hurt by automobiles in the third month of last year, the Patrol said. So far this year — during the first three months — the Patrol has investigated 10,635 accidents that had claimed the lives of 228 persons, an increase of nine over the figure for the same time last year.

TO CLOSE WENESDAYS

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{8}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{8}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

ing the past season, the equipment delivered as many as 500 loads of cane to the mill in one day and traveled a total of 1,300,000 "Safe Driving" miles for the five month harvest period which ended April 14.

The distance a driver must go to provide a 20-ton load of cane to the mill varies. In some instances,

one mile would constitute a round trip, while on the other hand, a 60 mile round trip is required to transport one load of cane to the mill.

The Cooperative management is proud of the safety record established by its drivers. It is not at all unusual for the company to receive a complimentary phone call or letter concerning its employees and the manner in which they operate the company's equipment.
